She told me a secret that wasn't supposed to be said,
But I accidentally said it and now I'm crying in my bed
I lost the best thing that ever happened to me
And now I'm wishing I could take it back
Was this my destiny?

It's so hard to know
It's so hard to let go
So please follow me
And set me free

The pain that I keep
The pain that I hide
You'll never know I have
As I carry a disguise.
But I'm holding on
And keeping faith
As I will die for you
To pay for my mistake

She gave me her heart, she gave me her grace
I forgot what was important, she took it all away
I sit here wondering was this the end
Now I live life with one regret.
Was this the end for me?

It's so hard to know
It's so hard to let go
So please follow me
And set me free

The pain that I keep
The pain that I hide
You'll never know I have
As I carry a disguise.
But I'm holding on
And keeping faith
As I will die for you
To pay for my mistake

As I look in to your eyes
I living in a paradise

When I see you looking at me
I feel like I can't breathe

The pain that I keep
The pain that I hide
You'll never know I have
As I carry a disguise.
But I'm holding on
And keeping faith
As I will die for you
To pay for my mistake

As a pay for my mistake

My Mistake
