This is them them them  
And I know know know  
In the end end end  
We will be be be  
Everything thing thing  
Cause we were meant to be

#### Chorus

No matter how much time and space we have, nothing  
can destroy us.  
Never mind what all the people say that there is no  
trust.  
We have are times, and we have those times but one  
thing is sure.  
That I am yours and you are mine.

#### Verse

It is time time time  
Make a choice choice choice  
Is this right right right  
Hear the sound sound sound  
Of my voice voice voice  
When I say say say  
Cause We were meant to be

#### Chorus

No matter how much time and space we have, nothing  
can destroy us.  
Never mind what all the people say that there is no  
trust.  
We have are times, and we have those times but one  
thing is sure.  
That I am yours and you are mine.

#### Verse

We try to forget, and we try to forgive. We try to meet  
someone else.

I know that in time we will be where we were. Cause I  
know you love me and I love you...

#### Chorus

No matter how much time and space we have, nothing  
can destroy us.

Never mind what all the people say that there is no  
trust.

We have are times, and we have those times but one  
thing is sure.

That I am yours and you are mine.
