Authentic true blue believe it ill be back for the 2 o's 2

[Chorus 1]
(Scratching) Bone crushing, bone breaking
Now what you rock for
We in the making you move like is a dead zone

More complex then mixo flicks or were I yank a bitch
Supposing a remix stick with some sick shit
Pistachio absolute Tanqueray mix with tequila
I'm instillina a willina and killing ya' (killing ya')

[Billy Danze]

Let's pop it off (yes sir who that is?)
William Danze one of the illest ever
That spit sparks with from both hands
I learn these criminal ways
Were criminals blaze at everything above waistline
You take mine you aint that bad you must be mad
You fucking faggot got mixed up with another dude
May peace and blessings be upon you
How you doing brother do, No
Look if I was in a position of giving us faith (Listen)
Osama Bin Laden would have been shot in his face
(Missing)
Like every life he destroy in the World Trade
I aint got no patients for the faggot less great
Couldn't wait to hit the wake, with an O.G staff
Trained to shake'em, take'em and break'em in half
Using heavy caliber weapons for clearing the path
The same as we do in the ave nigga
Look (Look) is the legendary M.O.Piggidy back
Murdering tracks with Afu-Rigidy black

(Sratching)

[Chorus 1]

[Chorus 2]

(repeat twice)
