When I laid eyes on her thats when I knew  
To win her love is nothing I wouldnt do  
Talking to her all would seem would give her a thrill  
Fleet woods, Eldorados and Coop-Davilles  
Well, I might have stretched the truth just a tiny bit  
When I told her that I had one with a Continental Kit  
Ya! well I dont steal but Ive been known to borrow  
Ya! tonight we've been rolling like theres no tomorrow  
Shes cuddling up close rubbing my back  
doing a little this doing a little that  
Im sure gunna hate to sneak it back  
But we've been riding 'round in someone elses cadillac

I got my uncle willys watch and my daddies money clip  
My cousin bubbas black boots with a golden silver tips  
Ya! shes purring like a kitten I'm the cats meow  
Im gunna trade a weeks pay for a night on the town

Well how could I tell her what she dont know

when shes sitting here thinking Im a king of the road  
Ya! well I dont steal but I've been know to borrow  
Ya! tonight we've been rolling like theres no tomorrow

shes cuddling up close rubbing my back  
doing a little this doing a little that  
I'm sure gunna hate to have to sneak it back  
But we've been riding 'round in someone elses cadillac

(come on baby)

We were in the back seat parked under the stars  
When I saw the blue lights of that police car  
Ya! well officer know I dont steal but Ive been known to  
borrow  
Ya! tonight we've been rolling like theres no tomorrow

Now can you find it in your heart  
to cut me some slack  
I admitt it ain't mine sir, thats a fact  
But I was gunna take her home and then sneak it on  
back

Ya we've been riding 'round in someone elses cadillac
