Maybe weÃ¢â€Œ™ re both really to blame  
But I know thatÃ¢â€Œ™ s simply my way  
Of over-justifying  
I shouldÃ¢â€Œ™ ve lied to your face

Maybe we could have kept trusting  
And always relying  
But instead we ended up  
Right where we started

Minus the promises  
We left behind  
I guess I thought I could  
Leave you broken-hearted

Step back re-configure  
And you wouldnÃ¢â€Œ™ t mind  
Till weÃ¢â€Œ™ re going down swinging

I couldÃ¢â€Œ™ ve warned you, I shouldÃ¢â€Œ™ ve told  
you  
But I guess I expected youÃ¢â€Œ™ d know  
I wasnÃ¢â€Œ™ t lying now IÃ¢â€Œ™ m done trying  
To convince you that IÃ¢â€Œ™ ll never go  
'Cause weÃ¢â€Œ™ re all used up

I had a card up my sleeve  
Question is whether I knew it was a crime  
Who are we supposed to believe  
Both of us left wondering

If IÃ¢â€Œ™ m bluffing the whole time  
And now we appear here  
In this house of mirrors  
Distorting re-living

Till thereÃ¢â€Œ™ s nothing at all  
What made us think it would get any clearer  
It looks like we set ourselves up for the fall  
Till weÃ¢â€Œ™ re going down swinging

Please donÃ¢â€Œ™ t talk to me

Let's pretend that I do the trick  
Please pass me by on the street  
It makes me sick 'cause we're all used up
