I can't write my words
When I don't have you
I can't sing my song
When my strings won't tune
You won't believe me
You won't believe me crying
I can't walk my path
When I can't say motivated
I can't play my part
When it gets too complicated
You won't believe me
You won't believe me
So you'll never see me

CHORUS

Give me a reason and I won't breakdown
And if that's all that you've got
You'd better not get caught
I've got more in store

I can't keep my beat

When I don't have you
I can't shake my sins
When you don't come through
How could you leave me
Just when you see me crying
And I can't feel low down
When I don't have legs to stand on
I can't feel low down
When I there ain't no ground to land on
How could you leave me
How could you leave me
Now you'll never see me

CHORUS

Don't look at me and act like you're just blind
Let's work it out before you change my mind

CHORUS
