ok, it's alright with me
some things are just meant to be
It never comes easily, and when it does, I'm already
gone

I'm practically never still
more likely to move until I end up alone at will
my life continues inching along

when bernadette comes, i get lost on her time
she's much to sweet, and she's always gonna be
when i return to her arms and her eyes, it might not be
the same
but it's alright with me

ok, it's alright with me
some people are scared to see what's happening
frequently

but i would never shy from a fight

heartbeat with a high demand
off then we'll go hand in hand
but i'm sick of just dorting plans, i wanna spend the
rest of my life

when bernadette comes, i get lost on her time
she's much to sweet, and she's always gonna be
now, when i return to her arms and her eyes, it might
not be the same
but it's alright with me

it's alright with me (x4)
okay, its alright with me
okay, it's alright with me,
some things are just meant to be
it never commes easily
