I play the streetlife, because there's no place I can go  
Streetlife, it's the only life I know  
Streetlife, and there's a thousand parts to play  
Streetlife, until you play your life away

You let the people see, just who you wanna be  
And every night you shine, just like a super star  
That's how the life is played, a 10 cent masquerade  
You dress, you walk, you talk  
You're who you think you are

Streetlife, you can run away from time

Streetlife, for a nickel or a dime  
Streetlife, but you better not get old  
Streetlife, or you're gonna feel the cold

There's always love for sale a grown-up fairytale  
Prince charming always smiles behind a silver spoon  
And if you keep it young your song is always sung  
Your love will pay your way beneath the silver moon

Streetlife, Streetlife  
Streetlife, Streetlife
