[Sleater-Kinney]

My sex change operation got botched
My guardian angel fell asleep on the watch
Now all I got is a barbie doll crotch
I've got an angry inch

Six inches forward and five inches back
I've got an angry inch
Six inches forward and five inches back
I've got an angry inch

I'm from the land where you still hear the cries
I had to get out, had to sever all ties
I changed my name and assumed a disguise
I've got an angry inch

Six inches forward and five inches back
I've got an angry inch
Six inches forward and five inches back
I've got a
I've got an angry inch
Six inches forward and five inches back
The train is coming and I'm tied to the track
I try to get up but I can't get no slack
I've got an angry inch

My mother made my tits outta clay
(tits of clay)
My boyfriend told me that he'd take me away
(take me away)
He dragged me to the doctor one day
I've got an angry inch

Six inches forward and five inches back
I got an angry inch
Six inches forward and five inches back
I got an angry inch

(Long story short)

Yeah, long story short

When I woke up from the operation I was bleeding
down there
I was bleeding from a gash between my legs
It's my first day as a woman, and already it's that time
of the month
But two days later the hole closed up
The wound healed and I was left
With a one inch mound of flesh
Where my penis used to be
Where my vagina never was
It was a one inch mound of flesh
With a scar running down it like a sideways grimace on
an eyeless face
It was just a little bulge
It was an angry inch

[Sleater-Kinney]
Six inches forward and five inches back
The train is coming and I'm tied to the track
I try to get up but I can't get no slack
I got an angry inch
Angry inch

Six inches forward and five inches back
Stay under cover 'til the night turns to black
I got my inch, and I'm set to attack
Angry inch
Angry inch
