So you want to be entertained?
Please look away (don't look away)
We're not here 'cause we want to entertain
Go away (don't go away)
Reality is the new fiction they say
Truth is truer these days, truth is man-made
If you're here 'cause you want to be entertained
Go away, please go away

If your art is done, johnny get your gun
Join the rank and file, on your TV dial

You come around looking 1984
You're such a bore, 1984
Nostalgia, well you're using it like a whore
It's better than before, oh it's better than before
You come around sounding 1972
You did nothing new, 1972
Where's the 'Fuck You'??
Where's the black and blue? (3x)

If your art is done, johnny get your gun
Join the rank and file, on your TV dial

Hey! look around they are lying to you
They are lyin', ha! they are lyin' and
Can't you see it is just a silly ruse?
They are lying, and I am lying too
And all you want is entertainment,
Rip me open it's so free, yeah

If your art is done, johnny get your gun
Join the rank and file, on your TV dial

Don't drag me down, I'm not fallin' down (2x)

1,2,3!
If you want to take a shot at me
Well, get in line, line
1,2,3!
Baby, I've had all my shots

And I?m fine

1,2,3!

If you haven?t had enough of me

Well get in line, line

1,2,3!

Yeah, you deserve it now

It?s all right

1,2,3!

We can drown in mediocrity

It feels sublime, sublime

1,2,3!

Yeah it sounds like someone

Pushed the rewind

(don't drag me down, I?m not falling down (2x))

1,2,3!

Now, give it to me easily

My feeble mind needs time

1,2,3!

Yeah, you make it sweet

And syrupy with rhyme

(don't drag me down, I?m not falling down (2x))

Don't drag me down, I?m not falling down (2x)

If your art is done, johnny get your gun

Join the rank and file, on your TV dial

The grip of fear

Is already here

The lines are drawn

Whose side are you on?
