I don't know what you mean
I don't remember it
It doesn't mean a thing
I'm just a normal girl

I am in that hole where you left me
There both body and soul
I am filled with all those sick things
And i am getting out of here

I'm her again
I'm her again
I'm her again
I'm her again

I didn't say that thing
I don't remember it
I wasn't there that day
I didn't see a thing

I am in this thing
Well they say a body remembers it
????????????????
????????????????
I am getting out of here

I'm her again
I'm her again
I'm her again
I'm her again
????????
I'm her again
????????
I'm her again

I didn't say that thing
I don't remember it
I didn't see a thing
I don't know what you mean
