Sold out  
Do do you wanna it  
On a magazine cover  
Take it  
It's my body  
Take it  
I want money

Diamonds are a girl's best friend  
Diamonds are a girl's best friend

Wanna be a star  
Watch me go nowhere  
Sucking on his dick  
Fuck it, i want money

Diamonds are a girl's best friend  
Diamonds are a girl's best friend

I see the way you look at girls  
You think that i don't know it  
I know what you want from me  
I know what you want from me

Sold out  
Do do you want it  
On a magazine cover  
Take it  
It's my body  
Ooh ooh  
I don't wanna
