I can't find you
Stay where you are
I'm in the dark
Stay where you are

(i'm alright
I feel fine
You're my life
I'm alright)

She's dead if you want and that's me if you want
Stuffed in the corner, "little girl lost"
And i claw and i scratch and i beg and i scream
I just need you to save me one last time
It's me if you want but it's not what i want
I want to burn up the place
Set it on fire
She's bad because she wants to not be contained
I can't tell the truth, i can't speak this way

You can't find me
You're in the dark
I'm right here
Stay where you are

(i'm alright
I feel fine
You're my life
I'm alright)

She's dead if you want and that's me if you want
Stuffed in the corner, "little girl lost"
And i claw and i scratch and i beg and i scream
I just need you to save me one last time
It's me if you want but it's not what i want
I want to burn up the place
Set it on fire
She's bad because she wants to set things on fire
I can't tell the truth, i can't speak this way

Stay where, where, where you are

I'm where, where, where you are

(i'm alright
I feel fine
You're my life
I'm alright)

She's dead if you want and that's me if you want
Stuffed in the corner, "little girl lost"
I claw and i scratch and i beg and i scream
I just need you to save me this time
It's me if you want but it's not what i want
I want to burn it up
Set it on fire
She's bad because she wants to not be contained
I can't tell the truth, i won't speak your way
