Whoa, I wish I could
I'm not here to judge you girl
Just here to love you girl
Oh, oh, oh,
To possibility, let me
Please, tonight we have so much in store
I want to feel you, and feel you
Wait for it, now I'm getting closer babe
Wait for it, now it feels so close
So close,
When you and I are right
Just like the tears in your eyes
We fall,
When you and I are right
Just like the tears in your eyes
We fall in love
Let us continue, you're all I'm into
Let's lose ourselves, forget time
Our energies will bear the weight
Until the way you return
Tonight we have so much in store
I want to feel you, and feel you
Wait for it, now I'm getting closer babe
Wait for it, now it feels so close
So close,
When you and I are right
Just like the tears in your eyes
We fall,
When you and I are right
Just like the tears in your eyes
We fall in love
Fall into my arms girl,
Oh fall into my arms girl, oho, yeah
Fall into my arms girl, yeah
I'm waiting for you, girl
When you and I are right
Just like the tears in your eyes
We fall,
When you and I are right
Just like the tears in your eyes
We fall in love
