Let me tell you why I adore Howard girls
Ooo she got a killer sway (yes she does)
Ooo on a sunny day
A summer dress rockin some top tens
How she display (oh yeah)
Walkin around
Ooo without a care (Howard girls)
Headphones in hair
A smile and a derriere
Let me tell you why I adore Howard girls
Perfectly round
Ooo every shade of brown (Howard girls)
Crisp from the rays
That's raining down
Never a rush
Let's have some lunch
On the steps
Cats playin jazz
Yesterday we're skippin class
Let me tell you why I adore Howard girls
Homecoming again
Running into old friends
Her smile is just the same
Nothin much has changed
As she walks away
I think about yesterday
I'm not one to kiss and tell
Let's just say we knew each other well
Let me tell you why I adore Howard girls
You look so sweet walkin.. (Howard girls)
You look so nice, let me tell you the truth
I love you...
All of you are oh so fine
I adore you baby
There's nothin like
There's nothin like, nothin like
Howard girls...
Her style is so divine
A goddess of this lifetime
Beauty like you've never seen
Full of personality
Oh full of personality..

Gotta love them, oh gotta love them Howard girls,
Gotta love them Howard girls
(Fade)
