(Verse 1)

I had a dream we,
slow dancing to the ocean waves
under a half exposed moon,
so secure
If we stay in here forever we
still would have to go
go and leave too soon

(Chorus)

but it's all, just a dream
the next day, you didn't know me
and it's all, oh just a dream
the next day, you didn't hold me
and it hurts, hurt so bad
to have my sweet next day remind me
(na-na-na-na-na-na-na-na-na...)
my sweet next day remind me
that it's all just a dream away

(Verse 2)

I had a dream
that you wrote me a letter
oh, your kisses placed so gently
over every sentence form
(oh it felt so warm)
and the words you wrote them
with so much conviction
sweet like your perfumed neck,
that you rubbed the paper on

(Chorus)

but it's all, just a dream
the next day, you didn't know me
and it's all, oh just a dream
the next day, you didn't hold me
and it hurts, girl it hurts

to have my sweet next day remind me
(na-na-na-na-na-na-na-na-na...)

my sweet next day remind me
that it's all just a dream away
(na-na-na-na-na-na-na-na-na...)

*

and it's all just a dream, away...
