We starting up so amazing, to say it was love it's really under  
So we're alone in face of fate  
Treated wrong and I hate it, behavior so bad I guess that I was jaded  
So sorry my lady, I can't take none of that damn days  
Sorry that I'm out of yor way  
Hope your happy now , no matter what I'm never you race your face  
We were ment to be and you should know  
I regret the day I let you go for real it's no where that I should be that beside you  
Love foud the word that it's the key  
Guess that I'll find it into deep  
I took you from ...  
And so I ask yuy to forgive me, forgive me , forgive me, forgive me, forgive me  
And so I ask yuy to forgive me, forgive me , forgive me, forgive me, forgive me  
You sped all your time just to wait me  
Don't mean to be all of you...  
I'm already gone but I'm waizing  
You are coming back around  
Feels like I'm cut with the matres  
Sweated all night driving my pillow crazy  
How can I face it yoi will come back  
I can't take another damn day  
Sorry that I'm out of yor way  
Hope your happy now , no matter what I'm never you race your face  
We were ment to be and you should know  
I regret the day I let you go for real it's no where that I should be that beside you  
Love foud the word that it's the key  
Guess that I'll find it into deep  
I took you from ...  
And so I ask you to forgive me, forgive me , forgive me, forgive me, forgive me, forgive me  
And so I ask you to forgive me, forgive me , forgive me, forgive me, forgive me, forgive me  
Can't belive I let you walk away  
Now there is only shapes of me  
Only shapes of me  
Lost your love and this what I became

I put the blame on me

All the blame on me

And so I ask you to forgive me, forgive me , forgive me, forgive me, forgive me, forgive me

And so I ask yuu to forgive me, forgive me , forgive me, forgive me, forgive me, forgive me

And so I ask yuu to forgive me, forgive me , forgive me, forgive me, forgive me, forgive me

Forgive me, forgive me, forgive me, forgive me
