Radio- radioactive
Radio... active

Late night
A bubbly bunch of people break it out
Heading one direction
Downtown
Ready, set and going for a ride
Craving satisfaction

Impatiently, spirits so free
Perfect combination
Give in
This chance may not return ever again
Freak out

So let's get excited
You're all invited
Is everybody oka-ay-ay
Scream and shout it
No doubt about it
I'm gonna drive you insa-a-ane
'Cause I'm going crazy
Get out of my way
Feels like I'm getting radioactive
Electric, connected
We're gonna take it awa-a-ay

All in
Heartbeat like a mad man on the run
Tempeture is rising
All night
Together we can make it to the top
I'm about the real thing
I'm breaking free

Come fly with me
I've got the right connection
Right now
Not a single doubt what I'm about tonight

So let's get excited
You're all invited
Is everybody oka-ay-ay
Scream and shout it
No doubt about it
I'm gonna drive you insa-a-ane
'Cause I'm going crazy
Get out of my way
Feels like I'm getting radioactive
Electric, connected
We're gonna take it awa-a-ay

I'm not a victim
But I'm addicted
I know exactly how I want it
Now I'm directing
And I'm selecting
I know exactly how we get down

So let's get excited
You're all invited
Is everybody oka-ay-ay
Scream and shout it
No doubt about it
I'm gonna drive you insa-a-ane
'Cause I'm going crazy
Get out of my way
(Out of my way)
Feels like I'm getting radioactive
Electric, connected
We're gonna take it awa-a-ay

Radio- radioactive
Radio... active
Radio- radioactive
Radio... active

'Cause I'm going crazy
Get out of my way

Feels like I'm getting radioactive
Electric, connected
We're gonna take it awa-a-ay
