Meet Henry, our hero, as horny as you can get  
Sat down one Sunday night to make a mistress of the  
net  
He finally got the guts to click the link he'd always  
seen  
He had hand cream, paper towels and a squeegee for  
the screen

### CHORUS

Was it really that bad?  
It was worse, it was worse  
Was it really that bad?  
It was worse, it was worse  
I know you thought the last verse was perfectly  
perverse  
Was it really that bad?  
It was worse, worse, worse

His nooky knob began to throb when he saw the  
naughty nun  
On her knees with the rosaries wrapped 'round her  
father's fun  
She asked the colored codger what the lord would  
have her do

The answer was a mouthful... and an earful too

### CHORUS

Well he clicked and spanked and whacked and wanked  
for upwards of an hour  
His semen sack ascended to the pinnacle of power  
'Til the next screen stopped his scratching in the  
middle of the itch  
It was his daughter getting down with some horny little  
bitch

### CHORUS

Now it wasn't so much the emerald dildo in her twat  
Or that she wasn't a virgin - he'd taken care of that  
Or that his little girl was taking pornographic pics

But the horny bitch in question was a multi-schnauzer  
mix

CHORUS
