CHORUS:

Keep your Jesus off my penis
Keep your bible off my balls
Keep your prayers out of my ears
And your crosses off my walls
You can keep the virgin mother
And the resurrection too
Keep your Jesus off my penis
IÂ'll keep my penis offa you

Well, IÂ'm frickinÂ' sick and tired
Of turning on the news
And seeing the religious rightÂ's ungodly fight
To take our right to choose
When to bear our children
Who to love and how
Education and protection, if weÂ're just practicing for
now
So W, look, obey a book
If thatÂ's what works for you
But I donÂ't tell you how to pray
So donÂ't you tell me how to screw!

CHORUS

So youÂ're screaming bloody murder about the Taliban
regime
For subjugating women and being too extreme
And basing legislation on some ancient, holy book
Does that sound a bit familiar?
HereÂ's a mirror, have a look!
And as for the Ten Commandments, they need one
more, at least
Â"Thou shalt never cover up the acts of pervert
priestsÂ"
Now howÂ'd they let that happen
Unless they just abhor us?
Well, anyway, it adds another layer to the chorus!

CHORUS

So youÂ'll execute a person and then protect the single

cell

But mercy kill the terminally I'll and you're going
straight to Hell?

Well, I don't know much about the word of God, far be
it from me

But I can tell you what it ain't, that's hypo-Christianity

Well, I am not anti-Christian, before you grab a rope

There is beauty in religion

And joy and love and hope

And we're all lookin' for that answer

Some colossal, cosmic cause

But who the fuck are you to turn your views into my
laws?

It's just believers in the bible that would have abortion
banned

Anti-choice agnostics, I could count 'em on one hand

And as for killing babies, I've got but one retort:

If someone raped your daughter, George, you'd beg
her to abort

And if some young girl from your church shows up with
child or some infection

'Cause you told her what a horrid sin it was to use
protection

Well, one day you'll face the pearly gates

And what you gonna say

When that long-haired, Jewish peacenick sends your
ass the other way

Sayin' keep your Jesus off my penis

Keep your bible off my balls

Keep your prayers out of my ears

And your crosses off my walls

I've had it up to here with all the biblobile you spew

So keep your Jesus off my penis

Well, at least that's what I would do

Yeah, keep your Jesus off my penis

I'll keep my penis off of you

That's if'n you want me to
