Here's the story of a boy you'll never know
He spends his life in television shows
He dreams of life less ordinary
But things just stay the same
So he never made it out
He screams inside and he sings out loud

La da da da da da da da da da
So the story goes

Here's the story of a girl that could love
She had it all but she never got it right
She dreams of life in New York City
Only her mind would take her that far

He took a train today and he's never coming back
All his friends would say that too much love was not
Enough for her
