(Dickie Peterson & Dieter Saller)

Ooooh I wanna cut my losses.  
Understand that boy  
When pickin' the round  
Make that sure  
Oh, what you lay it down.  
Cause I lost at love  
I lost at friends  
I hope you're gone  
Won't see it again.  
Oooohh, cause I cut the costs.  
Sometimes my heart beats so fast  
I don't believe I can last.  
Cause I lost at love  
And I lost at friends  
I hope you're gone  
Won't see it again.  
Oooohh, cause I cut the costs.  
Ooooooah yeah, oh!  
Sometimes I wish  
That my heart would stop  
Set me free  
Take my loss.  
I lost at love  
And I lost at friends  
I hope you're gone  
Won't see this again.  
Cause I cut the costs  
I cut the costs  
Oh, cut the costs  
I cut the costs  
Oh, cut my loss  
Yeah, cut the costs.
