(Norman Mayall)
1-2, 1-2-3-4
Oh baby, bring my gas mask here
Oh baby, honey bring my gas mask here
I got a real bad feeling
You know my mind's not there.
Well I'm full of problems
And now I got a pair
I can not drink the water
I could hardly breathe the air.
Oh mama, honey what's a poor man to do
Well I'm goin' down slow
Got those Ecological Blues.
Come on hit it!
Well it's down by the ocean
I like diggin' by the sea
I caught myself one dead fish
Full of mercury.
Oh baby, honey what's a poor man to do
Well I'm goin' down choking
Got those Ecological Blues
Tell you what you should do:
Oh mama, honey better stick out your hand
Oh mama, honey better stick out your hand
Better stick out your hand
Here comes the garbage man.
