(Dickie Peterson)  
I'm young and fast  
Baby, I'm so slick  
Better get down  
Don't fake a trick.  
Gotta get my baby, yeah  
Gotta see her move  
This street dog daddy  
I done enough tonight. (right baby, alright)  
I got my pay earlier today  
It's all gone now, what can I say?  
Got the hard life, baby  
Got to be a good boy  
Well, I love swing, baby  
I sure like the way you bump! (my overdrive, get over)  
Now everytime I get some dust  
Want to party but I fuss.  
To see my baby  
Got the high dress on  
You young stuff boogie  
Baby, yeah, all night long!  
(got the truer rhythm, might as well use it again now,  
whoo!)  
(whoo-oo! Yeh! oow! oo! ooh!)  
Well I try for pay  
But it won't last the night  
It's all gone now  
But that's alright!  
Make me send my baby  
Got to see her gone  
This street dog daddy  
Baby I'm on my own. (on my own, honey, there's room  
for one more)  
(clap! clap! clap! yay!)
