I: oh its hard to make you see, but i want you and you
want me
still we musnt make a big mistake
i want your body heart & soul, yet we need some self
control
coz this is more than just a one night stand

REFRAIN

when i met you, i said i want you for my own
when i met you, i had love on my mind

CHORUS

a bigger love wont let me, it's more than love i feel for
you

a bigger love wont let me, take you home
a bigger love wont let me, its more than love i feel for
you
a bigger love wont let me, make you mine

II: for you i'd swear by any of, this love is bigger than
us both
i believe it's straight from God above
though temptations come and go, deep inside i think
we know
that this is more than just a love affair
