Ditch my used sub-compact for a 2 wheel drive
Now I'm rolling Eco friendly But I still look bad
When the bike store saw my credit
They said this is all they had
I'm singin'
F to the R to the E to the E to the C to the R to the E D I T
RE to the PORT to the dot to the com
Come on everybody grab your bikes and sing along
[Its easy]
F to the R to the E to the E to the C to the R to the E D I T
RE to the PORT to the dot to the com
