f/ Olivia

Banger..

Yo.. "keep bouncing".. have some fun

[O] Uh, bouncy bouncy

[Verse One]

Uhh, flamin hot, game shot

Five seconds left, all net, watch

Yo, this here be a funky dope maneuver

Bring it to your gut with more Jab than Judah

(take that, take that) And make sure the beat slam to  
the canvas

Get a call from Vince McMahon cause I

pinned the game with a Marvin verse

Two suburbs in the hearse when the rhyme disperse

Uh, E Dub been real since a fetus

Came out with no laces, shell toe Adidas

Fame like Regis - made myself a millionaire

Got three lifelines, I'm fine, I'm

OutKast +Fresh+, my tracks be +Clean+

No confusion, stop the illusion, E's

that man there do it, I come with explosive force

Sixth time on the cover of The Source

A decade, so what can y'all tell me?

Go against the grain is seldom seen

When I walk through the crowd I can see heads turnin

I hear voices sayin, "That's Erick Sermon"

[Chorus 1: Olivia]

He be the gen-i-us, E Dub

He be the one that rocks the house, so crazy (so crazy  
baby)

All my people out there show love (show love) "keep  
bouncing"

Bounce, forrrrrrrrr me "keep bouncing"

[Chorus 2]

[O] Whatcha gon' do when you get in the jam?

[E] I'm gon' have some fun

[O] What do you consider fun?  
[E] Doin it for 'Pac, Big L, Tah and Pun

[Verse Two]

Yo, it's too hot for the devil  
I raise the heat to the maximum level  
Stop drop and roll, the roof's on fire  
Next time think when my name's on the flier  
T-shirt and jeans, Air's the attire  
Two-way pager, NexTel wire  
I'm like this seven days a week  
Whatever, song is made best believe it's freak  
Cause I - get my freak on, uh, I get my freak on  
Erick Sermon is so ill, somethin to speak on  
Yo, you came in the game and blew it  
Got your rap deal revoked and can't renew it, uh  
You wish you was blessed like me  
A child God chose to overexpose, whoa  
I'm over - that's what I heard  
But now I'm on your station with songs preferred  
Uh, I'm top three, in thirty-five states  
And now I'm eating over thirty-five plates  
When I walk through the crowd I can see heads turnin  
I hear voices sayin, "That's Erick Sermon"

[Chorus 1]

[Chorus 2] - repeat 2X

[Olivia]

Uhh, Olivia

Yeah, J Records

.. uhh, Erick Sermon baby

On the up and up, uh-ohhh!
