i do never want to let this shit go, go
the way i feel tonight, i just can't let go, go, go
i know i drink too much, the cup is way to
the girls is fighting over there,
but yeah i'm loving all of that
we're going crazy up in here,
screaming they don't give a fuck!
the alcohol is in the air,
so tonight let's leave it up,
leave it up, leave it up, leave it up,
leave it up, leave it up, leave it up!
so tonight let's leave it up, leave it up
leave it up, leave it up, leave it up!
so tonight let's leave it up, leave it up
leave it up, leave it up, leave it up
leave it up, leave it up, leave it up!
chorus:
so let's move 'till it breaks
we gonna dance 'till the end of the night!
just go, do what you do
celebrate till the end of the night!
oh, oh, oh, oh till the end of the night
oh, oh, oh, oh till the end of the night
i don't want the night to end but i know
i'm just feeling right, and i just can't let go!
don't know if tomorrow gonna be the same
but we'll try again, yeah we'll try, we can!
we're going crazy up in here,
screaming they don't give a fuck!
the alcohol is in the air,
so tonight let's leave it up,
leave it up, leave it up, leave it up,
leave it up, leave it up, leave it up!
so tonight let's leave it up, leave it up
leave it up, leave it up, leave it up!
so tonight let's leave it up, leave it up
leave it up, leave it up, leave it up
leave it up, leave it up, leave it up!
chorus:
so let's move 'till it breaks
we gonna dance 'till the end of the night!
just go, do what you do

celebrate till the end of the night!
oh, oh, oh, oh till the end of the night
oh, oh, oh, oh till the end of the night
