(Hey baby, you,  
I know, I know it's you.  
Oh, oh and one day you'll know  
How I really feel about you.  
Oh, oh, but if you don't know,  
Let me tell you this.) Listen!

YOU say, you got me right where you wanna,  
So, I'll stay just so I don't make it stop.  
'Cause when I LIFT you up, oh yeah  
You ain't seen nothing baby  
You gonna have it, tell me enough  
All night, when I kiss you  
You're gon' have to tell ME how you feel.

Hook:  
I wanna lay, lay down (oh yeah)  
With you.  
Will, all night.  
Then I let you lay, lay ME down  
Cause I wanna let you feel what is like  
Baby, when I'll go all night  
I'll fucking TOUCH there, I do  
I do, so can I LAY you down in my bed?  
Before I lay you down I might have you turn eyes  
So I can see the things that I might DO.  
(Do do do)

Baby, I know you think I'm crazy  
But I got something that I don't WANT prove  
YOU know exactly why I'm waiting for you.  
Only you more than just talk,  
WE can do that in the morning,  
You don't have to touch yourself  
Cause baby I'm just? to it all.  
So, just imagine what I'd DO to you,  
TONIGHT, don't wanna waiste no time.

Hook (x2):  
I wanna lay, lay down (oh yeah)  
With you.

Will, all night.  
Then I let you lay, lay ME down  
Cause I wanna let you feel what is like  
Baby, when I'll go all night  
I'll fucking TOUCH there, I DO  
I do, so can I lay you down in my bed?  
Before I lay you down I might have you turn eyes  
So I can see the things that I might DO.

(Yeah, oh  
I don't even know what to say  
I said I'm not afraid  
But I don't  
Why won't you lay me down! )
