(Verse 1)

Everybody wanna take chills  
It's either that or nigga wanna play sales  
Try tha floor when I bound wit a fake bill  
When I see seven niggas I don't say shit  
Motherfucker like me try to stay big  
Who you got laying down in a "stay there"  
If a whips I can do it any kind of way  
From this A to the Crist to the Chardonnay  
Through the belt, from tha pipe to the parkway  
Everything a nigga touch is like park-ay  
Get it right, bill nigga let it light  
From the stand though, two mil, living life  
And this chicks from the streets better get it tight  
Their pussy laid out better get it right  
So where we at now

[Chorus: 2.5x]

AZ's back (come on)  
(Where we at now?)  
Where we at?  
(Talk to me, talk to me now)  
AZ's back  
(Ga,Ga,Ga,Ga)  
Where we at?  
(What you want, what you want)  
AZ's back  
(What you like, what you like from me now)

(Verse 2)

No niggas from both coast  
Everybody built pride but they hold toast  
No joke, fuck co' but a whole load  
Lone cones got bombs and .04s  
'91 put cha stickers wit the low cone  
Who's down getting' blunted and tryin' blow smoke  
Take notes, love cars only one side  
Always talk to blend in wit the young guys  
Hustle up, play the block til the sunrise  
Fuck wit us, bro', fuck you just gon' die  
That's that, where are the real hard haters at?

Only who jack niggas sittin' back  
Hit the broad, let 'em ball, nigga play it all  
Wanna walk wit cha guns, nigga make the call  
Where we at now?

[Chorus]  
AZ's back (come on)  
(Where we at now?)  
Where we at?  
(Talk to me, talk to me now)  
AZ's back  
(Ga,Ga,Ga,Ga)  
Where we at?  
(What you want, what you want)  
AZ's back  
(What you like, what you like from me now)

(Verse 3)  
Run away from the funny style,  
Cut those fake niggas wit tha funny smile  
Every hater in the game wanna run me out  
Everybody that's broke wanna run their mouth  
What that be about the time nigga see the cloud  
Won't stop til every last dollar, we even now  
Give it all back, bills in a small stack  
Stack a whole lotta shit in the door crack  
Where we at now?

[Chorus]  
AZ's back (come on)  
(Where we at now?)  
Where we at?  
(Talk to me, talk to me now)  
AZ's back  
(Ga,Ga,Ga,Ga)  
Where we at?  
(What you want, what you want)  
AZ's back  
(What you like, what you like from me now)

AZ's back, y'all better watch out  
AZ's back, y'all better watch out  
AZ is back...

[Chorus] - repeat to fade
