[Verse One]

(Love is) - Yeah, music that you feel good  
Neighborhood hood, gully  
Roll through cause it's cool to boost the spirit  
For the folks young and old and infants can hear it  
(Love is) - Knowin the rap game is not the same  
And still I came  
Whoever killed 'Pac and Smalls, they're lame  
Erick Sermon, learn my name  
(Love is) - When I come through your spot  
With no security guards, just me and the Squad, uhh  
I got love, a cat got checked by a fan  
Holdin me down, I got street respect  
(Love is) - When true fans who don't believe in rumors  
Real consumers, who love what I'm doin  
That's why I.. "PROCEED!"  
Superman, the E don't bleed

[Chorus]

(Love is) - Yeah, never hatin  
Everybody's out there is (people)  
Yeah, why you wanna take my car, so we can be  
(Walkin together)  
(Love is) - Def Squad, Keith Murray  
Redman, that's my (people)  
Conversate with the next man, so we can be  
(Talkin together)

[Erick Sermon]

(Love is) - When the planes hit  
And the world got together like baseballs and mitts  
New York's Finest, so I represent my home  
Hold weight on this microphone

(Love is) - When I pray for my enemies  
If drama cats get smoked like chimneys  
I'm not dyin for a fake thug who need a hug  
Not E-Dub - "I'm focused man" {Jay-Z}  
(Love is) - When your man got your back  
And, hold you down when no one's around, and  
Bless that, and get that money  
And then pass it around so nobody's hungry  
(Love is) - I do what I do  
When I can do it like no other to help my brother  
And, I hope racism as a whole  
Don't walk through life, with a blindfold

[Chorus]

(Love is) - Showin love to those  
Who paved the way, that's my (people)  
Politic with Al Green, and now we're  
(Singin together)  
(Love is) - Yeah doin it for black and white  
That's my (people)  
Get tight altogether, so we can be  
(Livin together)

[Erick Sermon]

(Love is) - Yeah, to be able to live  
With a, beautiful chick and a couple of kids  
Uhh, with foreign cars, a house on land  
I'm blessed no doubt y'all - "Check this out"  
(Love is) - When your man can't pay the bills  
And you loaned him a couple of bills, uh  
Now that's real, I come from the heart told ya  
Erick Sermon, the underground soldier  
(Love is) - Yeah, Stevie Wonder and Marvin Gaye  
And that's what I rock every day  
And take what they say, and then relay  
When I R-A-P for y'all to play  
(Love is) - Yeah, God Almighty  
The Alpha Omega, there's no one greater  
Then comes your moms, your fam is second  
And love is, the name of this record

[Chorus]

(Love is) - Yeah, rockin the house  
For hip-hop underground (people)  
Yeah it's only one God, whatever you call him we still  
(Prayin together)  
(Love is) - Yeah, for all my true dawgs out there  
Y'all my (people)  
I'm in the house, cold lampin, and we're  
(Livin together)

(Singin together.. what it is)  
(Love is.. love is..)
