[Marvin Gaye]

Just like music, ooh-ooh-ooh

Ooh, oh baby

Just like music

[Erick Sermon](Marvin Gaye)

To relax my mind so I can be free

And absorb the sound that keep me round

Doing my thing constantly with no worries

Peace to Keith Murray

(Just like music)

To keep me flowing and keep me going

And keep me growing

To keep me from the E from knowing

What happens out there is not my concern

You wanna die, it's not my turn

(Just like music)

To do something to me, like jump in the Mercedes

On the highway doing over 80

Without music baby (Ow, I'll go crazy) yeah

(Just like music)

Make me call my homie on the phone

Like there's something new out that got me in the zone

Just that feeling got me

I wish music could adopt me

(Just like music)

[Marvin Gaye]

Turn on some music

I got my music

Turn on some music

I got my music

Turn on some music

I got my music

Turn on some music

I got my music

(Just like music)

Put me in the mood with my woman

Got me in the ear singin' sweet nothings

Make love come out of the mouth, no frontin'

Like all of a sudden

(Just like music)  
Taking away your worries and cares  
Any problems music will be right there  
Together match, yo we a perfect pair  
Is that true Marvin?  
(Yeah, music)  
Yo to get you to bang this  
Body soul snatcher, universal language  
It be the light, so open up  
This is it, what the fuck?  
(Just like music)  
One fly tune to have black and white vibe in one room  
No confrontation, probably all night  
It's just the sensation  
(Just like music)

[Marvin Gaye]  
Turn on some music  
I got my music  
Turn on some music  
I got my music  
Turn on some music  
I got my music  
Turn on some music  
I got my music

[Marvin Gaye]  
Just like music  
Music is the soul of the man  
Music makes a happy day  
And music makes the clouds go by baby  
Your music keeps my tears inside my eyes  
(Just like music)  
Your music makes me want to sing  
Girl, music is a joy to bring  
(Just like music)  
Music is my heart and soul  
More precious than gold  
Happiness today is just a song away  
I love your music baby

[Marvin Gaye]  
Turn on some music  
I got my music  
Turn on some music  
I got my music  
Turn on some music  
I got my music  
Turn on some music  
I got my music

Just like music...
