Just blaze, yeah check me out now  
Yo, yo, yo, yo, check me out now  
Yo, yo, yo let me hear ya say  
([Foreign content])  
Put your hands in the air everybody, come on  
Where them dogs at

Hey yo, I'm immaculate, come through masculine  
Wide-body frame, E-Dub's the name, woah  
In the field of rap, I'm supurb, I'm fly  
I should be in the sky with birds

I ride twenty inch rims when I lean, yo  
(Hey yo, them tens, nigga)  
I know, I keep 'em clean though  
Come through stormin' the block like El Nino  
Scoop up an Arabic chick before she close

She goes, those my people  
([Foreign content])  
Yeah, them broads from Puerto Rico, them Keith's folks  
Yeah, watch how the E locs sixty-four  
Black rags, black interior, shift on the floor

Burn out, I do it for the kids  
They're hoppin' the turn style, the E goin' wild  
Yo, like them white chicks on a DVD  
Yeah, I'm worldwide, MTV and BET, nigga

([Foreign content])  
Whateva' she said, then I'm that  
If this here rocks to y'all, then react  
([Foreign content])  
Whateva' she said, then I'm that  
If this here rocks to y'all, then react

Yo, do I gotta go ape or go nutty  
I leave your eye like a nine-nine Benz-buggy, puffy  
Brick niggas get real ugly  
Trust me, keep your four if you feel lucky

Mug me, I ain't got nothin' but four figures

And weed and hash chopped in the coffee blender  
My shots like squeezy men on your window  
Usual suspect, I'm the crippled member

Get away when I sat down in the office  
([Foreign content])  
Heat in my lap keep me walkin' awkward  
While y'all talk it, the doc reinforce it  
The mic, it's hard to keep my paws off it

Yo' bitch is my bitch when it's over  
No cristal, I pulled up with king cobra  
Out in the nova, don't bother  
My nino brown bust, it'll shut down the corridor

([Foreign content])  
Whateva' she said, then I'm that  
If this here rocks to y'all, then react  
([Foreign content])  
Whateva' she said, then I'm that  
If this here rocks to y'all, then react

Hey yo red, he's over, word with his shit right now  
Watch this, told ya  
Chi-chi-chi-chi-chi-chi-chi-chi-chillin', I'm milk  
I'm that kid gizmo , we top billin'

Yo, when the roof is on fire, believe it, it's me  
Sparks when I rock the mic like Segal and free  
When the pen hit the pad, the evil in me come out  
Total recall for people to breathe

I got dogs in the backyard shittin' their lawns  
([Foreign content])  
We got chickens ain't leaving 'til six in the morning  
Round and round we go, circle the area  
Leave the party, go straight to the Marriott

Dozy-doe with cowboys where they saddle at  
Rodeo with 20 fours on the Cadillac  
What your name is, yo, R E D  
Crack cost money, but the E is free, yeah

([Foreign content])  
Whateva' she said, then I'm that  
If this here rocks to y'all, then react  
([Foreign content])  
Whateva' she said, then I'm that  
If this here rocks to y'all, then react

([Foreign content])

Whateva' she said, then I'm that  
If this here rocks to y'all, then react  
([Foreign content])  
Whateva' she said, then I'm that  
If this here rocks to y'all, then react
