Never thought it'd make you cry
like a last kiss goodbye
Can I make you understand
didn't see it in your eyes
don't believe their lies
cause there ain't no turning
back to what used to be
I hope some day you'll see
when you get that feeling
everything's gone wrong
remember where you came from
Don't give up if you gotta give in
you gotta know who you are
remember where you came from
don't give up if you gotta give in
Can you see the reason why
after all that's gone by
will you ever understand
do you think it's just a game
It'll never be the same
Now there ain't no turning back
to what used to be
I hope some day you'll see
when you get that feeling
everything's gone wrong
remember where you came from
Don't give up if you gotta give in
you gotta know who you are
remember where you came from
Don't give up if you gotta give in
There ain't no turning back
to where we used to be
remember where you came from
Don't give up if you gotta give in
you gotta know who you are
remember where you came from
when you get that feeling
remember where you came from
you gotta know who you are
don't give up if you gotta give in
remember where you came from
