A little essence here
A little attitude there
Look at your picture dear, I try not to stare
But here I am, standing at your door waiting to plead
my case
A stroke of innocence here
A poke of fun love there
My mind it melts along with words i have to share
And why not you and me, girl, share the moon tonight

(Let's get some chicks)

So throw your hands up

Into this gray sky
So throw your arms outstretched
We're gonna fly, we're gonna fly
So throw your hands up
We're gonna fly

It's in my hands
It's in my hands
