

Erik Goes To Germany "Holding Out"

Throw a rock at my window
Come on babe, let's go
To where we'll feel alive tonight
This is how I feel
Anxious and nervous
It's all part of the thrill
Of this new love
Swingsets and holding breath
Together while were holding hands
Holding your heart to mine

So here's your fairy tale beginning

Know that there will always be a happy ending

Almost where we want to be
Holding out for comfort of clarity
Let's make this count
Keep your eyes on the prized fight
Let's not take any chances
Here tonight
