Verse one:

Weâ€™ ll start this off however I want it to  
Letâ€™ s go in the direction of you wasting my time  
And how I never needed you around me, anyway  
Now that my egoâ€™ s been fueled  
Let revenge take form  
Girl, and youâ€™ re going down  
Iâ€™ ll keep anyone warm  
When the stores close down  
You left me broken and bruised  
You can be off-brand  
And she can be brand new  
Get your head in the game  
Youâ€™ ve got something to prove  
Iâ€™ m the prize you attain  
So thereâ€™ s something to lose  
When the fumbled return  
And your stats hold true  
I deserve so much better than you

Chorus:

Girl, you belong with me  
Beneath the sound bytes and the trickery  
Weâ€™ ll break bones and charge a fee  
World, I declare a rewrite in this scene

Verse 2:

Well, Give me your best shot, girl  
â€™Cause rumor has it youâ€™ re in for game  
I want to see you sweating for my heart  
And I want you to show some pain  
Sheâ€™ s no home wrecker, sheâ€™ s a twist of fate  
Iâ€™ ll kill temptation but a dead writerâ€™ s song gets  
played  
My eyes would have a lot more to say if our lips were  
locked  
And you were less than an inch away  
You want me  
You need me  
When the stores close down  
You left me broken and bruised  
She can be off-brand  
And you can be brand new
