Frigid cold at the break of dawn  
Mouth full of sand and the high tides on  
We're breaking out from these situations  
Living life without obligations  
We will show it off

Last night, tangled in bed sheets  
We both got our relief  
Sunrise shining in your eyes,  
Neither of us got sleep from ties we couldn't keep

And when we see the shore,

Yeah, we can see each other (when we see the shore,  
yeah we can see each other)  
That's not now, not anytime near now  
So grab a drink  
There's other fish to sink rather than me  
Fading in tranquility  
The beach is just a dream that's difficult to release

OH!!
