Outta luck
Outta steam
Outta time
With doing nothing
Over stretched
Over due
Over this
There's gotta be somethin
We can take this ride
Before it all goes south
Yeah, yeah

Where do we go from here
Destination, destination anywhere
Baby, I just don't care
Destination, destination anywhere
Destination anywhere

Scratch and scream
What's the use
We both need
To breathe some new air
Fresher dreams
Better love
All for us
I'm ready for my share
We can take this ride
Before it all goes south
Yeah, yeah

Where do we go from here
Destination, destination anywhere
Baby, I just don't care
Destination, destination anywhere
Destination anywhere
Destination, destination anywhere

Where do we go from here...
Destination anywhere
So where do we go from here
Destination, destination anywhere

Baby I just don't care...
Destination, destination anywhere
Destination anywhere
