God, it was late, I was drunk
You saw me
The one by my side wasn't you
I'm sorry

And I knew right then
That I lost you there
But you took me in

In spite of me
You made me feel invited
Nobody else
That is what I decided

Selfish and dumb, stupid and young
Yeah, that's me
But from all of the wrongs, you make it right
And forgive me

It's been said before
But I'll try once more
You are the one

In spite of me
You made me feel invited
Nobody else
That is what I decided

God, it was late
I was drunk
You saw me
The one by my side
She wasn't you
(You made me feel invited)
I'm sorry
I'm sorry

That is what I decided

In spite of me, you're here
You made me feel invited

Noboy else
That is what I decided
In spite of me
In spite of me, you're here
