In a million, tell them how sorry I am

In a million, this wasn't the part of the plan

This is the part that nobody mentions

I hope that you know all of my intentions were true

All I wanted was you

Go on, I will be fine

Go on, take all the time you need

This ain't your fall, why don't you listen?

We're different that's all

That's only so much I can do

All that I wanted was you

Oh oh oh oh oh

All that I wanted was you

Oh oh oh oh oh

All that I wanted was you

Only you

In a million, won't you remember the good

In a million, we gave it all that we could

This is the part that nobody mentions

I hope that you know all of my intentions were true

All that I wanted was you

Oh oh oh oh oh

All that I wanted was you

Oh oh oh oh oh

All that I wanted was you

Only you, emilia
