(Verse)

There will never be an ocean
There will never be a dream
Closer to reality and you love me
There will never be a morning
There will never be a scene
Closer to my inner vision
You love me

(Chorus)

I kick my shoes off, rolling up my pants
I leave my heartbeats in the sand
I've got the summer burning in my hand
We leave our heartbeats in the sand
And we are wading through electric waves
And we are falling,
To leave our heartbeats in the sand

(Verse)

There will never be a sunshine
Right enough to dry our clothes
Want the water to remember ,I love you
You will always keep the traces
And we will always stand the tide
You can never wash away that I love you

(Chorus x2)

I kick my shoes off, rolling up my pants
I leave my heartbeats in the sand
I got the summer burning in my hand
We leave our heartbeats in the sand
And we are wading, through electric waves
And we are falling,
To leave our heartbeats in the sand

(Outro)

Heartbeats in the sand
Yeah
Yeah,yeah
We leave our heartbeats in the sand
