"Stay"

it's ages ago,
the last we don't know
that night you said,
do you wanna come to the party,
with me
I was over the top,
It was upper the most

I used to smash your dolls
it was so real that we were goin' to Sarah's
although everybody knew how it would end up
with me, sayin' please, sayin'

stay, stay
stay with me
stay, stay with me
you don't have to go
yeah

those bourbon nights,
couples holdin' tight
the latest vogue,
everyone was harder than Madonna
be home,
by the phone,
not a single tone

It was the way I did it all
for bless down to learn the comb
If you love someone you should not let it show
oh no, but I said

stay, stay
stay with me
stay, stay with me
you don't have to go
yeah

come on
stay, stay
stay with me
stay, stay with me

you don't have to go
yeah

how you doin' now?
I said, it's been a while, but I'm fine
you said, are you happy?
but are you happy?

wait, wait
just wait
don't tell me you're in love
oh no

come on,
stay, stay
stay with me
stay, stay with me
you don't have to go
yeah, oh

stay, stay
stay with me
stay, stay with me
you don't have to go
yeah
