If the lies don't touch you the truth will  
and if i can't love you then who will  
when you're friends are jumping ship  
when you're crown begins to slip  
and loyalties not a virtue  
who are you gonna turn to  
when you seem to have lost your grip  
and the rope begins to rip

i held your hand  
is this the thanks i get?  
i took you in  
is the thanks i get?  
half a chance  
the thanks i get  
a twist of plans  
is this the thanks i get?

if the lies dont touch you the truth will  
if i cant love you then who will?  
when you're coming off your chip

when you're ego takes a dip

i held your hand  
is this the thanks i get  
i took you in  
is the thanks i get?  
half a chance  
the thanks i get  
a twist of plans  
is this the thanks i get?

the days hurt  
the night hurts  
the light hurts  
my eyes hurt  
the dark hurts  
my heart hurt  
it all hiurts  
i loved you  
i loved you

i made you  
i hate you  
i hate you  
i miss you  
i miss you

ooohhh

the thanks i get  
is this the thanks i get?
