Don't want to be there
on that night
when it all comes crashing
through your mind

I was there waiting
no you didn't see me.

Well it's too late now
it's too late
you took it for granted
there's nothing to say

I was there waiting
no you didn't see me.

I felt like a ghost
when you were around
but now that I'm free
I will not feel that gone

I was there waiting
no you didn't see me.

Invisible blues

keep haunting me, haunting me, haunting me—

Don't keep believing
you'll remedy time.
'Cause hell is the season
when I think you're right.

I was there waiting
no you didn't see me.

I felt like a ghost
when you were around
but now that I'm free
I will not feel that gone

I was there waiting

no, no, no, no you didn't see me.

Invisible blues
keep haunting me,
they keep haunting me.
