I'm sorry that I hurt you
I took for granted all you gave so freely to me
I prayed it's not too late
To save you from a broken heart
To promise you I'll make a brand new start
Believe me when I say

CHORUS

You are all that I need
The only treasure I see
You're the air that helps me breathe
Through the darkest night
When I fall down on my knees
I was blind but now I see
You are all that I need

When no one far from perfect
Like a child that needs a guiding hand
Can you stay here with me
I finally understand
You've always been the missing part
Complete the jigsaw puzzle of my heart
Please hear me when I say

REPEAT CHORUS

Please let me hear your voice again
Let me hear you say your love will never end
That whatever it takes you'll be there
When I say

REPEAT CHORUS

You are all that I need
