You don't have to say a word, I know this was your  
plan, you broke my heart into pieces, girl, now forget  
I'm your man

You're so good and so fine, I thought you were the  
girl for me, but all this time I've been blind,  
You have become my misery, you don't have to say a  
word, I know this was your plan,  
You broke my heart into pieces, girl, now forget I'm  
your man

You know I just could not believe, how much you made  
a fool of me, you're pretty eyes and,  
Your face, you got me going in a maze, you don't  
have to say a word, I know this was your plan, you  
broke  
My heart into pieces, girl, now forget I'm your man

[Bridge:]

Oh, girl you are so blind to see, don't want you back in  
my life, please, forgive my honesty, you're not the  
one I long to be with me

You don't have to say a word, I know this was your  
plan, you broke my heart into pieces, girl, now forget  
I'm your man
