i used to thing dat i could not go on
and life was nothing but an awful son
but i now i know the meaning of true love
im leaning on the everlasting arms

if i can see it
then i can do it
if i just believe it
theres nothing to it

Chorus:

i believe i can fly
i believe i can touch the sky
i think about it every night and day
spread my wings and fly away
i believe i can soar
i see me running through that open door
i believe i can fly
i believe i can fly

See I was on the verge of breakin down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me

{Chorus}

Cause I believe in me

{Bridge}

{Chorus}

If I just spread my wings
I can fly
I can fly, I can fly
If I just spread my wings
I can fly, woo
Check it out
Hmm.. fly fly fly
