I used to think that I could not go on
And life was nothing but an awful song
But I now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it
Then I can do it
If I just believe it
There's nothing to it

[Chorus:]

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
