In my soul , In my soul

I am not a baby anymore
I am not as innocent as before
I see it in the mirror , in my room
And I can feel it stronger in my soul
But I don't know if its the right day , for this word
Now I see things I didn't see before
I need an explanation, tell me more
Why I am in love now? I don't know

How can I live forever? I don't know
Where can I find Heaven? I don't know
What is going to happen? I don't know
Why I am in love now? I don't know

I don't know x2
In my soul, In my soul...

I live it through my diary , and I read
That all my little problems , now are free
I want to live my feelings day by day
I like to give emotions , in my way
But I don't know if its the right day, for this word
Now I see things I didn't see before
I need an explanation, tell me more
Why I am in love now? I don't know

How can I live forever? I don't know
Where can I find Heaven? I don't know
What is going to happen? I don't know
Why I am in love now? I don't know

In my soul, In my soul...
